

Mrs Richards

Supply List for Art 7, 8 & 9.

Dear Parents and Guardians of incoming art students

I would like to introduce myself, I am Mrs Richards and I am very excited to be joining Oyster Pond Academy in September. I am preparing to provide an enjoyable and engaging art experience this year.

I kindly request that each student acquire their own personal set of art supplies in preparation for the year.

I look forward to getting to know your child through their art work and supporting them as they grow in their artistic and creative skills.

Please let me know if you have any questions or need assistance finding materials, or just feel welcome to contact me.

Thank you in advance.

Sarah Richards
