"Where Every Oyster Grows Its Unique Pearl"

## **SAC Meeting Minutes – February 8, 2024**

### **OLD BUSINESS FROM THE LAST MEETING MINUTES:**

1. School Clothing: Reached out to 3 companies, only Eastern Shore Clothing got back to us, we voted to go with them. They are a local company and have worked with us in the past. (I will admit I don't recall voting on this, but perhaps we had because we hadn't heard from any other companies at that time. We've since heard from one more, ProMax2000, but am happy to go with Shore.)
2. New Photographers: Must have- kind photographer, takes their time, easy to work with, available to parents, accommodating, flexible. We have heard back from 2/3 and are waiting to hear back from Life Touch, we will give them until the next meeting (Feb. 1) and then decide during that meeting.

### **NEW BUSINESS FROM TONIGHT'S MEETING:**

1. School Clothing: See Digital Vote Link
2. School Photographers: The members present have ruled out LifeTouch and have settled on either Adam's or NSSP's. The literature for these two companies has been re-sent via email to facilitate a digital vote.
3. Math Resource Purchase: Approval to use SAC Grant Funds for purchase of Choral Counting for Grades P-2 in support of our Math goals.

DIGITAL VOTE LINK, due no later than February 15<sup>th</sup> please.

**NEXT MEETING: April 11 at 6:30pm.**
